

Cutting Camden's CO₂ by 2020

Working together for a greener Camden

Find out how we can work together to reduce carbon emissions across the borough by 40% in 2020.

When?

Monday 6 September 2010, 7-8pm

Where?

Camden Council Chamber,
Camden Town Hall, London WC1H 9JE

What's happening?

- Carbon Descent - the consultants behind Friends of the Earth's 'Get Serious about CO₂' campaign will present their study on how we could reduce CO₂ emissions across Camden by 40% by 2020
- An opportunity to ask questions about the study.

How do I register?

Please email harold.garner@camden.gov.uk or call 020 7974 2701.

Please register by Friday 3 September 2010.

Any questions?
